Parques Nacionales

The background of the slide is a collage of four scenic images from Canadian National Parks. The top-left image shows a forest of evergreen trees in front of a mountain range. The top-right image shows a turquoise lake with a glacier in the background. The bottom-left image shows a mountain range reflected in a calm lake. The bottom-right image shows a lake with a small building on a hill in the foreground and mountains in the background.

- Banff
- Jasper
- Waterton
- Glacier
- These four, are our main national parks, and are protected by the Government of Canada.

Come Visit!!
